100 Lay Down on Track But "Skidoo" When Pistols Crack

ADANA, Turkey, Aug. 12.—More than 100 striking railwaymen of the Anatolian railroad tried to thwart the government's determination to run a train to Aleppo yesterday by calmly lying on the track in front of the engine. A few revolver shots from the police, however, made them jump up and run and the train pulled out on the track.

About 1,000 railwaymen went on strike yesterday for higher wages, it being the first large strike in the Turkish republic. The government has the situation well in hand. Motor trucks are being used to carry on the postal service because of the curtailed railway schedule.

Fashion Favors Fluffy, Fully Frocks

Three film frocks for afternoon, left to right: Figured black chiffon, takes pointed drapes and deep black yoke; green and white robe with tailored restraint; debutante's frock in morning glory

By HENRI BENDEL
NEW YORK, Aug. 12.—The country girl became each year more the place to look for modern, smart summer frocks. The latest sport frocks always appear first at fashionable seaside resorts.

But all feminine attire that makes its debut into society on the country club lawns, the afternoon frock in the daytime of them all. This frock had its inception with the growth of the country club habit. It is neither a formal nor yet a strictly informal, but a smart frock, usually a dressy frock, more often with long sleeves than short, suitable for bridge tea or other parties in the afternoon, or for August or sitting in the sun.

Have Any Grace
Certainly the airy, graceful frock was conceived for just such occasions. And doubly suitable are the delicate, figured patterns which introduce all the beauty of outdoor garden, while allowing their wearers to enjoy the coolness and shade of the club.

I have used these flowered chiffons with a neckline that was a study in grace. Some of the frocks of this type were conceived for just such occasions. And doubly suitable are the delicate, figured patterns which introduce all the beauty of outdoor garden, while allowing their wearers to enjoy the coolness and shade of the club.

Native Sons Prepare For the Provincial Lacrosse Final

CALGARY TEAM TO PLAY HERE ON WEDNESDAY

Practices Being Held Every Night By Locals at Park

Every night at Diamond Park is practice night for the Native Sons of the local lacrosse team that will meet Calgary in the final game of the provincial lacrosse series, that will be played here next Wednesday evening at Diamond Park, the game to start at 8 o'clock.

Tonight, for instance, the Sons will be out doing their utmost and no large crowds are turning out for every workout, but the team is in good shape. The Sons should not be in grand condition for the final game, but the practice this evening is a meeting of the local lacrosse council will be held and final arrangements for the game will be made.

All Right With It
Bill Marshall, captain of the local team, is quite sure that his team can take the Native Sons even though the Sons are the favorites. He said that there is no reason why his team should be pessimistic about his team's chances, as he has a good team, a real fine one, but he doesn't think they are as good as our own team, in any event, when we match it. He played here last Wednesday, and all arguments will be settled for the first time—this season at final.

The officials for the game will be the Mr. and Mrs. D. J. Dubeau. Both are very competent lacrosse men, but there is no question that they will have complete charge of the game from the start to the finish.

Toddies Play Against Riverview Girls Tonight

The Toddies, Senior Amateur Girls' Basketball League, "Champion" team, will meet the Riverview team, winners of the Community League honors, tonight at Queens Ave. gymnasium, for the girls' championship of the city.

The girls have played some mighty fine games this year, and the competition is very keen. They will undoubtedly put up a great battle this evening. Muriel Boyd will pitch for the Toddies with Olga Knutson catching. Eddie Beckwith will likely be the umpire.

That lacrosse is rough, should attend this game and they will undoubtedly change their opinion of Canada's National pastime. It is a grand game, well worth the time of any Canadian, and local fans can help a great deal by attending this final and making it easier for the boys to make expenses. It takes quite a bit to bring a Calgary team to Edmonton. If the local fans don't support the Native Sons, the latter will have to move all the bills, and they will not be small.

Harry Scott, sports editor of the Calgary Albertaian and an expert lacrosse player himself, states that the final of the final series played in Calgary last Monday, and which resulted in a draw 2-2, was one of the best lacrosse games ever played. Two chances to one the Sons won.
